IMPORTANT INFORMATION

Chapter 5 of the City of Sugar Land Code of Ordinances, Article III, Division 1 defines right-of-way:

Sec. 5-21 Public right-of-way means the land below, above and at the surface of any public street, highway, alley, sidewalk, bridge, tunnel, easement or similar property in which the City holds any property interest or exercises any rights of management or control.

Chapter 5 of the City of Sugar Land Code of Ordinances, Article III, Division 2 requires a permit:

Sec. 5-31 (a) It is unlawful for any person to dig up, break up, cut, excavate, drill, or tunnel in or upon any public right-of-way, sidewalk, or street, or to place any earth or excavated material on a public right-of-way, sidewalk or street without first obtaining a right-of-way work/use permit from the City.

Chapter 5 of the City of Sugar Land Code of Ordinances, Article III, Division 2 requires site restoration:

Sec. 5-34 (a) All excavations, alterations, backfill, repairs and other work must be made in conformance with any written specification or requirement adopted by the City.

Sec. 5-34 (d) If a permit holder fails to properly restore the surface of the public right-of-way, abandons the work, or fails to correct a hazardous condition after notice to do so, the director may take any action necessary to restore the right-of-way, complete the work, or correct the hazardous condition at the permit holder's expense

THIS PERMIT DOES NOT SUPERCEDE ANY OTHER REQUIRED PERMITTING FROM THE STATE, THE CITY OR ANY OTHER PERMITTING AGENCY.
